The above medal awarded A. B. Franklin 1930
For Display New Seedlings
American Peony Society

Also a Bronze Medal by Minnesota State Horticultural Society for
Display of Seedling Peonies at Peony and Garden Flower Show
June, 1929

It is now eleven years since I have offered new originations of Peonies to the public. Those introduced in 1920 have been well received and are gaining more friends continually.

FRANKLIN NURSERY, MINNEAPOLIS

These new ones have been grown, divided, and care taken each season of blooming to check up on them. They are choice varieties, the selection from thousands, are healthy and vigorous and I feel that they are an acquisition to the Peony World.
